WHAT WE DO

Start:ME strengthens underserved communities in metro Atlanta by empowering entrepreneurs to start and grow resilient microbusinesses. When they thrive – generating income, creating jobs, occupying spaces, providing role models – their neighborhoods do too. Start:ME provides business training, mentorship, and grant investment capital, coupled with ongoing alumni support.

During times of calm and times of crisis, local microbusinesses play key roles within their communities –

identifying and serving local needs, stepping up to help those in need, and being all-around good neighbors. Now more than ever, those businesses need our patronage and support. Join the #SHOPSMALL movement by supporting businesses in your community, including the Start:ME alums featured in this guide.
